

Dear Designated Teacher,

The Virtual School has purchased Britannica for you to use with your children to aid in their personal education plan.

At Britannica we understand how **challenging schoolwork and homework can be for any child**.

Start using Britannica as your learning resource and you will find a **safe world where truth is the outcome!**

Britannica offers what no other search engine can: inspiring curiosity in children and designated teachers alike, **Britannica is updated every 20 minutes by a team of over 60 editors**, our articles are curriculum mapped, differentiated and translated into over 120 languages. Explore the world without fake news!

Britannica School is a perfect match to the **new Inspection Framework** We have covered the depth and breadth of the curriculum, supporting student-led inquiry, whilst also **ensuring pupils develop core skills and subject-area mastery**. The idea is that as students dive into content, they build on skills and knowledge achieving clearly defined evaluation points at the end to **measure their learning**.

Britannica will aid in sharing learning and best practice. Training will be on hand to support you when you need it.
