

## Module 6

Session 12 M6SC12

# Protection from fraud

**Research one of the frauds discussed during session 12 which introduced us to fraud and keeping your money safe. Create a list of top ten tips to protect yourself and others from that fraud.**

You should include information that covers the following points:

- How to spot the fraud?
- How to stay safe from the fraud?
- How it could impact your finances if you are a victim?
- What you should do if you think you have been a victim of the fraud?
