Thank you to my amazing friend @Jenny31 for help with unpacking. Pizza on me!!

So happy to have this friend in my life! She is always there when I need help and I would do anything to help her too.

Can't wait for our trip to Japan this summer when you can take a well earned break from nursing.

Time to plan my next project. Need inspiration!!

You may not know this about me but I love DIY. I used to play with my toy toolset whilst my dad Jamie did jobs around the house.

Now I finally have my own place to decorate, the fun can really begin.

5 Stars would recommend!!!!

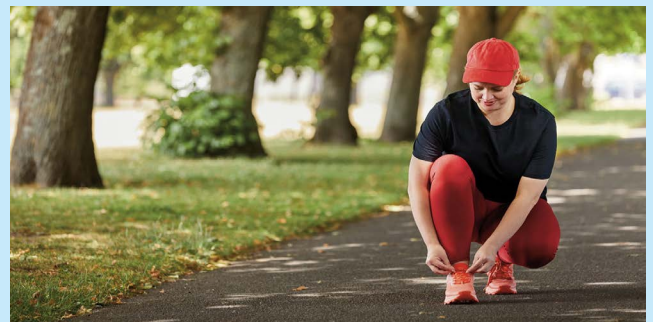

It's nice to get this time together after a busy week, looking forward to a fun weekend with lots of laughs.

Amazing weather so a quick game of hide and seek is needed before lunch.

I'm not sure who will be more tired later us or the kids.
